Each passenger on this cruise must provide to the cruise line & to travel agency at least one of the following two identification types: 1) U. S. Passport or 2) Certified Birth Certificate plus a Government issued picture I.D. usually Texas Driver's License. If for whatever reason you had to fly back to the states from a foreign country, you would have to have a U. S. Passport to do so; therefore, your best form of I.D. is a USpassport. Use two of these reservation forms per cabin, one page per person.
